What would you do with this charming ranch on a deep property on a quiet street in Saddle Brook? Would you enlarge it, like the lovely home next door? Would you renovate this spacious 2 bedroom ranch? Couple these super-low interest rates with a renovation loan or your sweat equity, and you can be cashing in on this special opportunity. Bring your imagination and transform it into the fabulous home it is meant to be. (Pool at rear of property is believed to be gunite and is sold strictly "as is".)
